

PROFILE

DJ SUE PROJECT

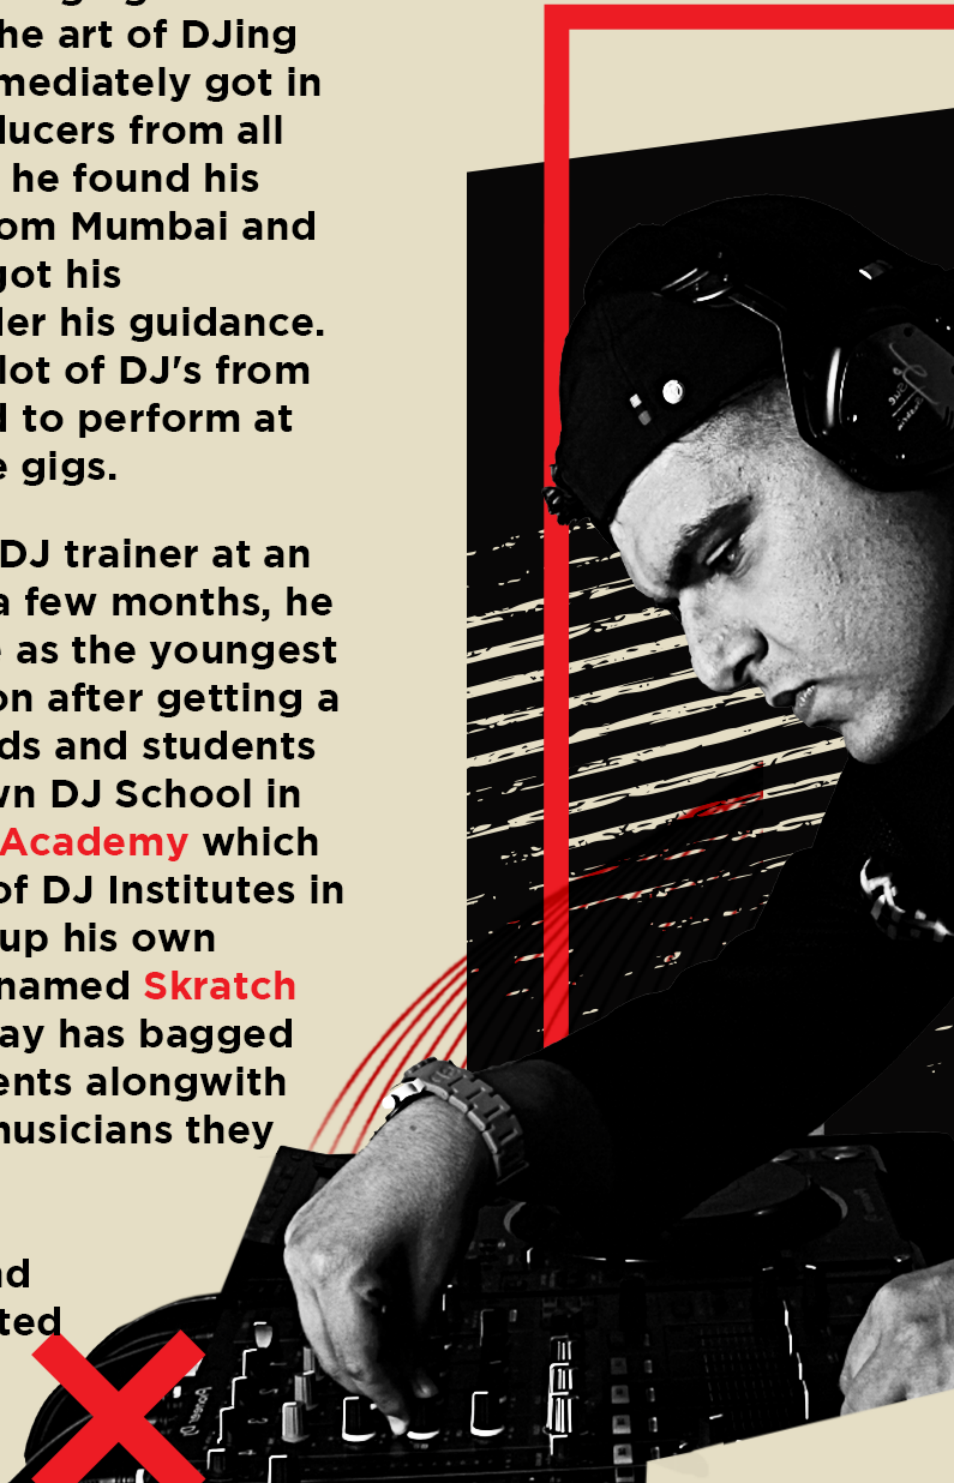

Sushein, Being the son of a ghazal singer and Radio artist of **ALL INDIA RADIO (A.I.R.)** had an inclination towards music since childhood. He learned playing percussions at school and classical singing from his father. Performing and participating in various competitions and shows soon became his passion. That's when he was at a very young age of **15** he got fascinated towards the art of DJing and Mixing music. He immediately got in touch with DJ's and producers from all across India that is when he found his **Guru Shahnawaz Syed** from Mumbai and at a young age of 16 he got his professional training under his guidance. soon he got known by a lot of DJ's from the circuit and he started to perform at various clubs and private gigs.

Soon he got the job of a DJ trainer at an institute in Delhi, and in a few months, he got his name in the trade as the youngest and finest DJ trainer. Soon after getting a lot of push from his friends and students in trade he started his own DJ School in 2009 named **Skratch DJ Academy** which now is the largest chain of DJ Institutes in India. In 2012 he formed up his own entertainment company named **Skratch Entertainment** which today has bagged finest corporates and clients alongwith a roster full of talented musicians they manage.

A DJ, an Entrepreneur and now a performer, he started taking his shows to the next level by Singing live in between his DJ Sets along with a

bunch of live musicians. His shows are a hit success throughout while taking special care of client requirements and the show flow.
